## Police Quell Disturbance In Placentia

PLACENTIA — Police officers quelled a disturbance at a large party at 12:30 a.m. Sunday morning. Several arrests had been made for various offenses including drunk in public and disturbing the peace, when the officers were pelted with rocks and bottles from the crowd of people gathered at the rear of a fraternity house at 907 North Bradford, according to police.

As additional officers responded for assistance, including three cars from the Fullerton Police Department, more arrests were made, and in the ensuing melee, one prisoner escaped after having been handcuffed and placed in the rear of a police unit.

Agent Lewis M. Harmening, Placentia Police officer, received a minor injury when he was struck on the ankle by a piece of broken concrete.

Total arrested were two 16-year-old females, three male juveniles and four male adults.

The Funds and cities affected by the proposed merger are Anaheim-Western Communities United Fund, covering the cities of Anaheim, Cypress, La Palma, Los Alamitos, Stanton; and Interim Board of Six Northern Orange County United Funds, serving Fullerton, Brea, Buena Park, Yorba Linda, Placentia, La Habra.

## Walkathon Nets \$181,000 For March Of Dimes

ORANGE — Led by the Color Guard from the Third Marine Aircraft Wing, MCAS, El Toro, and in step to the Delta Ramblers from Disneyland, ten thousand people of all ages participated in the second annual March of Dimes Walkathon.

Sponsored to the tune of \$181,311.86, the marchers trudged along a 20.5 mile route that started at the Angels Stadium in Anaheim and wound through Villa Park, Orange and Anaheim.

Fred Owens, athletic director of Golden West College, and general Chairman of the benefit started the marathon runners at 7:45 a.m.

First in was Joe Rust, Garden Grove High School student, who completed the run at 10:05 a.m. followed a minute later by Kent Norton of Orange High School.

First girl runner in was Kathy Palmer of Garden Grove, who checked in at 11:54 a.m.

The first male walker in, Glen Sawtelle of Anaheim High School, covered the route in three and a

## Heritage Festival Committee Will Schedule Events

PLACENTIA — Main events for the eighth annual Heritage Festival Days are expected to be scheduled at the group's upcoming meeting tonight at 8 p.m. in the Backs Community Building, president of the board Marv Reid announced this week.

The festival, which will cover a nine day period, has been set for September 30 through October 8. Parade and picnic day will be Saturday, October 7.

Reid said that organizations wishing to sponsor booths at the annual picnic-in-the-park should make arrangements at the upcoming meeting, to get the best selections.

The board hopes to increase the number of main activities at this year's celebration, Reid outlined, and is encouraging total community participation by all city organizations. All meetings are open to the public, Reid emphasized.

half hours and the first girl in was 12 year old Debbie Cullen, a student at Apollo Junior High in Buena Park, who finished in 4½ hours.

Jose Trucco, senior at Laguna Beach High School, an exchange student from Argentina, said it was a "beautiful walk - but tiring."

Poster child, Corinne Snipp, 13, of Huntington Beach, who walks on artificial limbs, rode Argo, famous parade horse four miles and then walked the balance of the way.

Fred Owens expressed his thanks to the hundreds of volunteers who patrolled the route; staffed the checkpoints; to the doctors and nurses, who took care of the tired and blistered feet; to McCoy Ford of Anaheim and McCoy and Mills Ford of Fullerton, who ran a shuttle service picking up the weary; and to the Explorers and others who fed the hungry marchers on their return. Entertainment was generously provided during the afternoon by popular Orange County bands.

## Budget For Next Year Presented To City Council

PLACENTIA — Members of the City Council are now studying their copies of the preliminary budget recently submitted to them by the city staff. They will begin holding study sessions on the budget this month.

The budget shows an estimated general fund income of \$2,098,809, up slightly from last year's \$1,941,631. The administration is recommending that a total of \$1,968,325 be spent from the general fund, up from last year's \$1,856,245.

Total estimated revenue in all funds, including gas tax, storm drain and utility users funds, totals \$3,416,558 with total expenditures estimated at \$3,424,477.

Included in the budget under the utility users tax fund is the construction of a new fire station

## Herbert Quits Board To Accept Promotion

PLACENTIA — Howard T. Herbert, who has served on the board of trustees of the Placentia Unified School District since July 1, resigned his seat Monday night because he has been transferred to New York and promoted by American Telephone and Telegraph Company.

He was elected to a two year term last spring and has served as vice-president of the board. He will assume his new post in New York on May 15.

The seat Herbert has vacated will be filled at the special election July 25 called recently to fill the seat vacated by Mrs. Bernard Beckius, who also moved out of the district.

Nominating petitions for the two seats are now available at the Registrar of Voters office in Santa Ana and must be returned there by June 1 to qualify for the ballot.

Herbert's seat would be for one year while Mrs. Beckius' seat would be for three years. Candidates must specify which seat they are seeking.

In announcing his resignation Herbert said, "I regret leaving Placentia but my company has offered me an opportunity for advancement that I cannot decline."

"However, I believe the school board has accomplished substantial progress in reversing the adverse course on which our district was headed. Many of our decisions were tough ones, but

## PUSD Reaffirms Decision To Not Hold Tax Election

PLACENTIA — Members of the Placentia Unified School District Board of Trustees reaffirmed their decision not to hold a new tax election on July 25 at their adjourned meeting held last week

in south Placentia at a total cost of \$80,000. Other capital outlay items such as police cars, autos, public works maintenance equipment, and recreation and parks equipment totaling \$85,972 is also proposed to be purchased with utility tax funds.

Major street improvements funded by the Arterial Highway Financing Program and the gas tax funds include the extension of Chapman Avenue from Kraemer Boulevard to Orangethorpe Avenue and the widening of Yorba Linda Boulevard and Kraemer Boulevard through the city. Money is also in the budget for the widening of Placentia Avenue from Sunset to Harmony and the construction of a traffic signal at the corner of Kraemer Boulevard and Madison Avenue.

they had to be made for the good of the district."

He added that the school board's number one priority was the reemphasis of the instructional program.

Herbert was education industry manager for the telephone company's marketing department in Los Angeles and has been promoted to marketing supervisor for the Bell System at company headquarters in New York.

## Miss Altmeyer Returns Home To Give Concert

FULLERTON — Jeannine Altmeyer's annual benefit concert will be performed May 16 in Plummer Auditorium, on the Fullerton High School campus, beginning at 8 p.m.

Each year Miss Altmeyer, a 1966 La Habra High School graduate and now a member of the Metropolitan Opera Company in New York City, returns home to give a benefit performance for her former school district's music students.

Tickets for the May 16 performance are now available at FUHSD school music departments at Buena Park, Fullerton, La Habra, Lowell, Sonora, Sunny Hills and Troy High Schools.

Tickets are adults, \$1.50 and FUHSD students, \$1.

to finished up routine agenda items.

The board had voted earlier to defer indefinitely any action on the tax election proposal since it feels that the district can operate during the next year on available funds.

In deferring action the board agreed that although more money is not needed now, there was little doubt that a new tax election would have to be held next year.

Dr. Ralph P. Ruth, board president, noted, "We haven't removed the monster from the door, because it is still there when we look at the cash flow. But it looks like we can make it through the next year without a tax election. When the public defeated the March tax override, they told us they wanted to see some belt-tightening, and that's what we're doing. We are going to carry on as stimulating and innovative a program in our schools as we can with the available finances."

Following the public meeting the board met from 10:33 p.m. to 4:18 a.m. in executive session to meet with John Tynes, board's representative and chief administrative officer, on salary increments and told him to relay the board's latest proposal to the Certificated Employees Council.

**Editorial****Board Performance Is Community Disgrace**

What is the Board of Trustees of the Placentia Unified School District trying to do? Their immature "nit-picking" at board meetings is a disgrace to this school community. Their inability to conduct board business has resulted in endless sessions of futility for staff, teachers and public alike. Why?

The board's inability to accept the recommendations of their chosen Chief Administrative Officer, John Tynes, is a senseless waste of time. Tynes calls 'em as he sees 'em.

The board's inability to say, "Oops, we goofed. We didn't really need the recent projected tax-override. We were supplied with very bad information." Who was responsible for this dilemma?

Their inability to decide on a philosophy of undistributed reserve/cash flow is ludicrous. Agonizing hours of meetings have produced nothing but disenchantment for parents, taxpayers and PUSD employees alike. Why?

We believe that the board should consider one of two alternatives: Study and act, based on staff recommendations and expertise—and be guided by their back-up material and rationale—or fire the staff.

Alternative No. 2. Understand and practice their duties as elected trustees, i.e. that they are responsible for establishing policies and procedures and that they are equally responsible to act decisively in matters of business and personnel. If the board is unable to function under these guidelines, they should resign—collectively and/or individually.

If the Board of Trustees is unable to act decisively on either alternative, we believe that recall proceedings should be instigated.

**FACT:** The board has spent 12 hours in closed door sessions since April 22 and rarely has an official announcement or decision been made.

**FACT:** The board recently discussed the advisability of changing Xerox machines for 35 minutes—and then deferred action.

**FACT:** The board has destroyed completely the morale of the administration, teachers and classified personnel with their unfounded, indecisive actions on matters of duties and dollars.

**FACT:** Many good administrators and teachers have left this District already...and many more are resigning to seek a better climate for educating children.

**FACT:** The board is insensitive to the facts of educational life. Very, very seldom is it mentioned that the basic job is to provide a plausible climate for the sound education of the students in this district.

Wake up parents! Attend these board meetings and judge for yourself. Demand positive action from your elected trustees. It's your school district, your tax dollars, and most of all, your child's educational future that is being ruined by the senseless behavior of the Board of Trustees.

**Miller Accepts New Superintendent Post**

Dr. Murrell M. Miller, superintendent of the Placentia Unified School District, has accepted a new position as superintendent of the Kwajalein Schools System, Kwajalein, Marshall Islands, in the mid-Pacific. This is a private school system and the Kwajalein Schools are fully accredited by the North Central Association of Colleges and Secondary Schools.

Kwajalein Island is 2,300 miles west of Hawaii and is one of the major defense installations as part of the United States defense network. It is 1,500 miles from Tokyo, Japan and Manila, Philippine Islands, and 2,200 miles from Sydney, Australia. It is served by Micronesian Airlines.

Formal instruction in grades Kindergarten through Twelve is offered to dependent children of 5,000 United States personnel stationed on the island. Dr. Miller's responsibilities include the administration of the educational program, recommending improvements, recruiting, appointment and evaluation of personnel.

In addition, the assignment includes the initiation, development and maintaining of two new programs for adult personnel and faculty. The second program is to develop a cooperative extension campus center which has the capability of offering undergraduate and graduate courses for full credit.

It was a general meeting of all members who will be doing the many volunteer services in the new facility. The plaque will be hung in the entrance hall of the hospital.

## Hospital Week Is Declared

This week has been designated as Hospital Week to be observed nationally.

Staff members of doctors in the area have been invited to attend a luncheon at the new Esperanza Intercommunity Hospital on May 10. The guests will tour the new facility and get a clear impression of the working areas prior to any patients being therein. All modern equipment has been installed, it was learned, and the general public will be given the opportunity to tour the hospital on July 8.

"That date, July 8, will be the only opportunity," stated Harry Stewart, administrator, "for the general public to see all the various sections of the hospital." The official opening date for the Esperanza Hospital is set for July 10. It was noted that after patients are received in the hospital, the general public then only sees perhaps the one section where they visit their friends.

The El Dorado High School Band, directed by Don Zink, earned a superior rating for the second year in a row.

A superior rating also went to the Placentia Youth Orchestra, a group ranging from sixth to twelfth grades representing the Placentia Unified School District and the Placentia City Parks and Recreation Department.

William Foster, the school district's coordinator of music, directs the orchestra, which entered competition for the first time this year.

Valencia High School Band, which entered the competition for the first time in four years, received an excellent rating for their selections. Foster also directs that band.

Employees of the city honored him with a luncheon Thursday at Tlaquepaque cafe. Friday, all members of the maintenance department of the city gathered at the city yards to wish him happiness.

As one man said, "We ought to retire the old sweeper with Bill as he seems to be the only one who loves it and keeps it in running condition."

What will Bill do in retirement? "Paint my house first and do some things that have been neglected around there for over two years. Then just have fun."

# Troy Faculty Student Board Named

The recent election of the first Faculty Student Board (FSB) at Troy High School marks a new development in faculty-student relations at the eight year old school.

Recently adopted by the student body and staff, a new constitution calls for an FSB composed of one administrator, five teachers and four students from each grade level.

In addition to carrying the burden of traditional student government, the board may make recommendations to the principal on curriculum,

school evaluation and other matters of immediate interest. It is expected that this will increase the effectiveness of student government, while including teachers and students in the decision making process.

"The student body is obviously interested in the new form of government, as shown by a surprisingly good turnout at the polls," observed Assistant Principal Walt Buster.

Students elected to the first Troy FSB are juniors Regan Backer, Larry Fagerhaug, Rose Lopez and

Marcy O'Neil. Paul Cunningham, Larry Drapkin, Dale Meador and Leslie Northrup were elected from the sophomore class.

Tom Comber, Joe Mock, Tim Prager and Dave Weiller will serve as freshman representatives to the board.

Next year's ninth grade members from Ladera Vista Junior High are David Bradshaw and Crystal

Morgan. Yorba Linda Junior High will hold elections later this month to decide on two FSB representatives.

Troy Faculty members selected by the staff are Jerry Atkin, James Fournell, Nick Fuscardo, Ben Rogers and Ski Harrison.

Buster was appointed by principal H.L. Looney to represent the administration on the board.

## Library Friends Will Sponsor Book Sale

Friends of the Placentia Library have changed the date of their annual book sale to June 2 from 5 to 7 p.m. at which time members of the "Friends" may take advantage of a pre-sale.

## ED Drill Team To Give Show

Drill team members at El Dorado will present their annual show Friday, May 12, at 7:30 in the ED gym. "From the Apple On" is the theme of the show, which deals with the history of women. A variety of skits and routines will trace women's role in history, beginning with Adam and Eve and continuing to modern times.

Tickets are priced at \$1.25 for adults and students without an ASB card, \$1 for students with the card and 75 cents for children 4 to 12. Tickets will be sold both in advance and at the door.

Connie Miller plays "Mother Time" as hostess for the evening and, with the aid of a "time machine," sets the mood for the show.

Cave women, Cleopatra, suffragettes and women from the "Roaring Twenties" will be part of the show. A highlight will be "Telephone Hour" from "Bye, Bye, Birdie."

Drill team members have been working and planning the show since December.

The sale is open to the public on June 3 from 9 a.m. to 4 p.m. The books will be displayed in the patio behind the Placentia Library on Bradford Avenue. There will be a great variety of used books including fiction, non-fiction, mystery, travel, technical, reference, children, paper backs, magazines and some old and rare books.

By arranging an early summer sale, patrons may make purchases for leisure time summer reading.

Anyone having books to donate for this sale may leave them in the treasure trunk near the check-out desk at the library.

## Round Table Group Meets For Luncheon

Mrs. Penny Howell assumed the chairmanship of the Crafts section of the Placentia Round Table on May 8 when the group met at the clubhouse for a salad luncheon.

Mrs. Marian Jordan, who has served as chairman for the last year will be assistant, with Mrs. Jean Pierotti still retaining her position as secretary-treasurer.

Latest developments in ceramics as well as other craft ideas will form the basis for next year's Craft section meetings, stated Mrs. Jordan.

## Mrs. Kozlowski Is Named Girl Of Year

In a recent Beta Sigma Phi Founders Day Celebration held at the Saddleback Inn, members of Xi Zeta Delta honored Mrs. Thelma Kozlowski of Placentia, by choosing her as their Girl of the Year.

The selection is based on a member who has been the friendliest, most socially respected and to one who has shown an outstanding

contribution to the chapter and council.

In the nine years that Mrs. Kozlowski has been a member, this is the third time she has been honored as Girl of the Year. She has served on every committee and has held most chapter and council offices and chairmanships.

This year she is serving as chairman of the Southern California Council Brunch meeting which will be held in July at the Royal Inn of Anaheim.

## Open House To Be Held

The Placentia Community Nursery School, a parent participation pre-school located in the Placentia Presbyterian Church, will hold an open house on Tuesday, May 16, from 9:30 to 11 a.m. and Thursday, May 18, from 9:30 to 11 a.m.

The school is now accepting applications for the 1972-73 school year starting in September. It runs a two-day session Monday and Tuesday for 3-year-olds and a three day session the rest of the week for 4-year-olds.

For further information or registration parents should contact Carol Ehrich, chairman of mothers, at 528-8398.

## Troy Student To Be Named Outstanding

Troy High School senior Hsueh-Chia Chang will be named an outstanding chemistry student by the American Chemical Society at a banquet on May 25, according to science instructor Glenn Robb.

The student competed against entrants from nearly 50 Orange County high schools to achieve the honor. The American Chemical Society sponsors the annual contest to stimulate an interest in chemistry among secondary school students.

Other Troy students participating in the written test covering their course of study were Matt Crawford, James Clay and James Schatzman. All Troy students scored well above the median range, Robb noted.

# Hawks Win Orange League Track

Sparked by brilliant performances from Bobby Johns and Tony Madau, El Dorado's varsity track team won the Orange League track championship last Friday, and with it the Orange League crown.

Johns held on to win the 880, holding off Bob Ironroad of Sonora to win in a time of 1:57.6, a personal best for him. Madau got the league record in the high jump, as he won with an outstanding 6-7½ leap.

## Greg Kempton was Slo Pitch Softball Begins

The Placentia Recreation and Parks Department slo pitch softball league began May 1. A total of nine teams are in the league and they play on Monday and Wednesday evenings at McFadden school.

The teams in the league include Anaheim Seventh Ward, Century Data, Montgomery Wards, Penwinies Iron Foundry, St. Joseph's Mens Club, Calvary Church, The Cleos, Beneficial Finance and Carl's Jr.

The league will continue through the month of August after which league members will be able to participate in the Orange County playoffs.

another Hawk champion as he won the 220, and took second in the 100. Mark (Sugar Bear) Davenport won the shot put for El Dorado, while the Hawk mile relay team also won.

Pat Dutzi was the only other Hawk to win an event, as he turned in a brilliant performance to win the mile. Dutzi won with an outstanding time of 4:25.4, a personal best for him and a great time for only a junior.

## Hawks Edged By Sonora In Close Game

El Dorado's Varsity baseball team enters the last week of Orange League play this week, after losing a heart-breaking game to league leading Sonora, 1-0, in a 13 inning marathon game last Thursday.

Mike Farra pitched a brilliant game, going all 13 innings locked in a pitching duel with Sonora's Jim Peterson. Farra's effort was spoiled when the Raiders scored an unearned run to win. Sonora clinched the league title with the win, extending their record to 10-0, while the Hawks dropped to a 4-6 mark.

The Hawks wrap up the season this week as they played University on Tuesday and will play Laguna Beach on Friday.

It was the Hawks fine depth, including second place finished by Randy Welch in the pole vault and Brent Wood in the two mile, that contributed to El

## Warriors Edge BP; Overwhelm Savanna

John Simmons swept four singles sets and Troy received some easy points in doubles when Savanna forfeited three sets as the Warriors took care of the Rebels 19½ to 8½ Wednesday on Troy's courts.

When the Rebels arrived they were without their number one doubles team which didn't show up until the final set. Steve Murray and Jim Wubben each picked up two points in singles while Earl Lund and Erik Young swept their doubles matches.

On Friday in Buena Park, Troy had trouble getting by the Coyotes 14½ to 13½ as the Warriors could manage only five singles points including four by number one man Earl Lund. However, the Warriors were

Dorado's winning total of 63 points. Valencia edged Sonora for second spot as they finished with 56 points to the Raiders 53.

strong in doubles, taking all but one set.

The two wins upped Troy's Freeway League mark to 9-3.

# Troy Defeats BPHS To Break Loss Streak

Troy's baseball team, led by John Hufferd's two hits and three RBI's broke their five game losing string with a 5-3 win over Buena Park on Friday.

Hufferd singled home Jon Davis in the second and then blasted a ground-rule double with the bases loaded in the fifth. Bill Hezmalhalch went the distance for the Warriors, scattering five hits while

striking out seven.

On Tuesday, Troy dropped a 4-2 decision to league-leading Savanna at La Palma Park. Pitcher Mark Wulfemeyer pitched well in spite of giving up a home run as he allowed just four hits but his Warrior teammates could collect only two hits. Going into the final week, Troy's dismal league record reads 3-9.

## Health News . . .

### That Headache Has A Painful Meaning

"Of all the so-called triumphs of the pharmaceutical industry, the 'headache remedy' is the most dangerous to life and health." With that

statement, Dr. Andrew Burpee of the Burpee Chiropractic Clinic set the record straight on self-treatment of headaches.

DR. BURPEE "I don't want to convey the image that headache pills are poison and are in themselves dangerous to life," says Dr. Burpee. (It should be remembered, however, the government has had to prohibit distribution of certain "remedies" for this precise reason.)

According to Dr. Burpee, the real trouble is that the less toxic and more apparently effective remedy is the more dangerous "because it overthrows or suppresses a mere symptom, while the trouble caused by the symptom continues to progress, often until it's too late."

"Pain, particularly headache pain, is the alarm bell which nature employs to signal 'FIRE,'" says Dr. Burpee. "And I don't need to remind you, ringing the 'fire' alarm never put out the fire."

"Sure, there are headaches that have a simple cause. The 'morning-after' type, for instance," he says. "And it usually passes as soon as its cause - a clogged digestive tract - has been cleared."

But the Doctor's warning is clear: Any other headache, particularly if it's chronic or recurring, will send the careful, intelligent person straight to the Doctor.

"The causes of headaches are many," says Dr. Burpee. "They include digestive, eliminative, kidney and heart troubles, eyestrain, infected tonsils, nerve pressure from spinal conditions and sometimes (although very rarely) brain trouble itself."

Dr. Burpee also notes that in women, disorders of the generative tract are often the cause.

"Remember," says Dr. Burpee, "in no condition will a headache be naturally eliminated until the cause has been determined and corrected."

"And I'd like to think that's where we come in," says Dr. Burpee.

Do not, however, go to him under any delusion that you are bringing him a simple trouble which could be easily corrected with a 19c package of "Pain Killers."

If you suffer from a similar condition, call for Chiropractic information, 639-0111, Dr. Andrew N. Burpee, D.C., 245 N. Glassell, Orange.

## Fire Service Day Tours To Be Given

The Placentia Fire Department responded Friday to a report of a smoking clothes dryer. Firemen arrived at the scene approximately three minutes later and found the fire still contained within the dryer.

Upon removing the panels at the rear of the machine, it was found that an electrical short had caused the fire and that accumulated lint had contributed to the spread of fire throughout the interior of the machine.

Fire Chief Jim Sims explained that clothes dryers require frequent cleaning to maintain them in a safe condition. Chief Sims said lint and dust builds up rapidly inside clothes dryers, clinging to the motor and other operating machinery. Frequent checks and cleaning of lint filters are items that should be given careful attention.

## Rick Miller Takes CIF Championship

Rick Miller became El Dorado's first Varsity CIF champion as he swam past all competition to win the 100 yard breaststroke at the CIF swimming finals last Friday at Belmont Plaza Pool.

This is Miller's second CIF title in two years as last year he won the Bee division. His time of 1:01.9 is a two second improvement over his winning time last year, and is a remarkable time for a sophomore.

Another Hawk swimmer with a tremendous future is Scott Claffey. Claffey finished sixth in the Cee 500 yard backstroke in the CIF meet. Claffey is a freshman.

In addition Grants set up a monetary gift to the Round Table Ways and Means group on a percentage basis of sales that afternoon.

Other organizations are cordially invited to join with Mon Ami Auxiliary in decorating or sponsoring rooms and may call Mrs. Oberle at 528-2373 for additional information. "Lost Generation," the latest release from World Wide Pictures, will be shown on Monday, May 15, at 7:30 p.m. at Teen Challenge, located at the Traffic Circle in Orange. There is no charge.

Filmed in Eastmancolor, "Lost Generation" utilizes multiple screen images and a probing documentary style to investigate attitudes on dissent, violence, the mood of America and the answers that can be found by this generation as they face the decisions of life.

The feature-length film, which includes special appearances by Billy Graham, Art Linkletter and Jack Webb, was described by one reviewer as a "moving film that calls on us to make a decision about how much we want to get involved in the troubles of our times."

## Rocket Club Open House To Be Held

The Placentia Recreation and Parks Department's model rocket club will hold an open house at the Backs Community Building, Monday, May 15 from 7 to 9 p.m.

Club members will have rockets, engines, launches and photographs on display. Pictures of club activities, movies of launches and NASA Apollo films will also be shown.

The club's purpose is to promote model rocketry among young people in Placentia. The club meets the first Monday of each month at 7 p.m. at the Backs Community Building. Club members have launched rockets at Anaheim Stadium, Prado Dam in Riverside and Lucerne Dry Lake near Apple Valley.

Interested boys and girls are urged to contact the recreation department for more information. The club's advisor is Rich Garner, a former naval aviator and currently a member of the Orange County Soaring Association.

Various sections that form the club activities presented Mrs. Barnes with monetary gifts of various amounts to help carry forward the work of the parent club. Some of the money was earmarked for the purchase of new card tables.

A buffet luncheon was followed by the business meeting at which time final reports for the year 1971-72 were given. Newly elected officers will be installed at the June meeting and another year of civic work, social service and philanthropic work is on the agenda. Mrs. Betty Nathan will assume her duties as president at the June meeting.

# Knights Dedicate Barbeque

Commemorating 17 years of active service to the community and the church, the Fullerton Knights of Columbus, Council 4018, celebrated their anniversary by dedicating a barbecue pit donated to St. Juliana's Parish. Grand Knight Richard Glaudini officiated assisted by Junior Past Grand Knight Tom Fox.

Father Terence O'Brien of St. Juliana's Parish, Fullerton gave the Blessing. He asked that the Lord bless the barbecue pit, the men who built it and those who will use it. Father O'Brien dedicated the pit to "the venerated memory of Capt. Michael McGerty, USAF and our beloved country." He asked that the barbecue pit serve as an instrument of unity and joy to the church and the community. Capt. McGerty, a member of both the Fullerton K of C Council and St. Juliana's parish, was killed in action over Vietnam in August 1970, while serving his country.

Council members Bob Kowalski, John McGerty and Tom Getzinger served as co-chairmen for the barbecue project which was entirely designed and built by the council members.
